

NetSolutions COVID-19 Response Program

is privileged and only for the information of the intended recipient. It is not to be distributed or used for any other purpose without the prior written consent of Cantata Health.

NetSolutions COVID-19 Response Program

- Communication & Collaboration
- Emergency Preparedness
- Pandemic Preparedness Initiative
- Special focus Dashboard
 - Real-time COVID-19 monitoring
 - Isolation monitoring
 - Change of condition monitoring
- Point of Care Change in Condition Documentation
- eAssignments with Alerts & Notifications
- Waiver Management (Medicare & Medicaid)
- COVID-19 Employer Paid Leave Requirements Management
- InfectionWatch - Stand Alone

Team Cantata Commitment

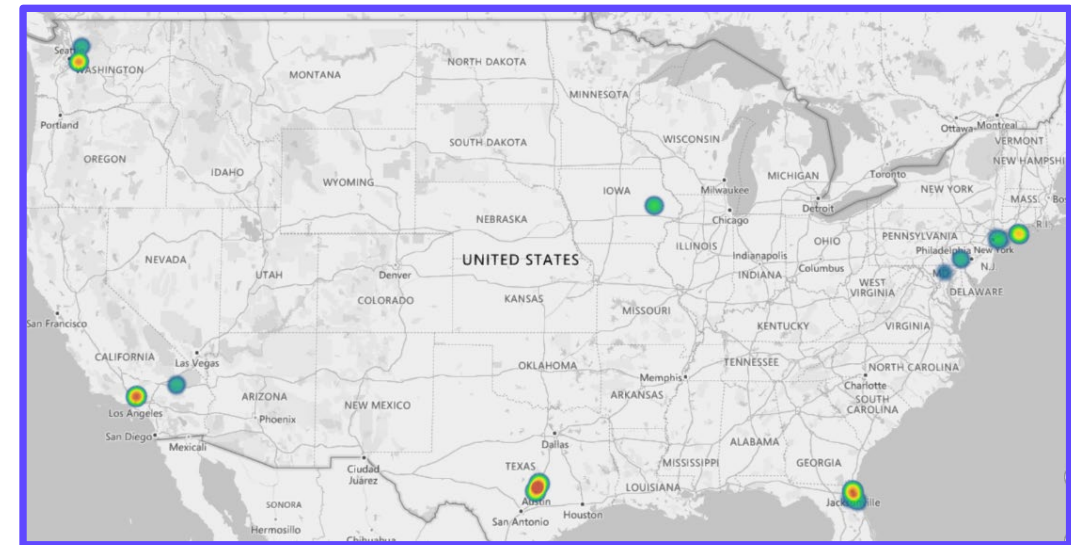

Communication

- We will continue to monitor continually changing regulations and communications from the governing bodies
- We will continue to be concise with our communications to get you the updates and resources you need

Collaboration

- We will continue to use all our tenured employee's knowledge to share the best way to utilize NetSolutions to meet your daily challenges
- We will continue to offer assistance in setting up the system to help you manage your resident's care

Our geographically diverse team supports you remotely and is prepared

Presented by: Gina Barrett

Emergency Preparedness

Cloud Hosting

- Available to on-prem clients
- Free 90 day Trial
- SQL 2016 Requirement – Older Versions would be converted

Remote Access

- Available to hosted clients
- Free 90 day Trial
- Remote Access 2 ways:
 - Dynamic DNS Software
 - Software VPN

Recovery Back-up

- Available to on-prem clients
- Send SQL Data to Cantata's Hosted Platform
- Can be used in a Disaster Recovery or Business Continuity Model

Our robust hosting platform offers 99% Up time

Pandemic Preparedness Initiative

Team Cantata is here to help you

COVID Care Facility Implementations

- Fast-turnaround facility launch
- Billing & GL configuration
- Location Master configuration
- Other Services

Education/Training Support

- Training videos
- Informational Webinars
- Remote training sessions
- Customized sessions

Special Care Configurations

- Existing bed Conversions
- Add Disaster/Critical Care Beds
- Special focused dashboard

Pandemic Focused Enhancements & Applications

- Dashboard Performance
- Regulatory compliance
- Physician Orders
- InfectionWatch
- Online SecurePay

Call us for more information!

Manage Resident care with a Special Focus Dashboard

Set up dashboard items in alignment with the Guidance from AHIMA in coding for the Coronavirus:

- For a diagnosis of COVID-19, report the code for the patient condition that is related to the COVID-19 (e.g., J12.89, "Other viral pneumonia") and B97.29, "Other coronavirus as the cause of diseases classified elsewhere." U07.1 COVID-19
- For suspected COVID-19, not confirmed or ruled out at the encounter, report codes for the presenting signs and symptoms. Do not report a code for coronavirus when this diagnosis is not stated in the medical record.
- For known exposure to COVID-19 (without diagnosis of COVID-19), report Z20.828, "Contact with and (suspected) exposure to other viral communicable diseases."
- For suspected exposure to COVID-19 that is ruled out after evaluation, report Z03.818, "Encounter for observation for suspected exposure to other biological agents ruled out."

Cantata will help you set up your dashboard free of charge

eAssignment Alerts & Notifications

Improving internal communications with alerts, task management, and messaging

Receive alerts via NetSolutions pop-up message, text message, or email to events such as:

- New admission or diagnosis
- Discharges/Inter-Facility transfers
- Anti-Viral/Anti-Pyretic/Isolation Orders
- New Infection cases (Suspected/Confirmed)

The screenshot shows the NetSolutions interface for a user named LeRoy Boan RN. The main content area displays a 'MESSAGE SUMMARY' table with the following data:

eAssignment gives you a specialized internal email and communication system that improves your current processes for communicating among employees.

Free 90-day Trial Available

Manage Medicare & Medicaid Waivers

- SNF care without a 3-day inpatient hospital stay will be covered for beneficiaries who experience dislocations or are otherwise affected by the emergency
- recognizing special circumstances for certain beneficiaries who, prior to the current emergency, had either begun or were ready to begin the process of ending their spell of illness after utilizing all of their available SNF benefit days and allowing them to receive up to an additional 100 days of SNF Part A coverage
- Additional setup in NetSolutions required: You will need to set up a new Medicare A plan to accommodate CMS waiving the requirement for a 3-day prior hospital stay and the start of a new benefit period in certain circumstances. [See the NetSolutions setup instructions](#) and [contact Cantata Health support](#) for assistance and to finalize set up.

Ability InfectionWatch Partnership

ABILITY InfectionWATCH™

Streamline infection surveillance

- Save time and resources identifying infection-related sentinel events and detecting outbreaks
- Focus on prevention, intervention and performance improvement efforts
- Easily implement McGeer criteria
- Facilitate review of relevant data
- Expand surveillance capabilities

Facility Map

Infection surveillance trends

Monitor and track resident infection rates over selected time periods. You can evaluate the trends of infections by category, type and culture organism.

Where acquired

Track the presence and prevalence of HAIs, CAIs and “present on admission” infections to identify appropriate, timely prevention interventions.

Infection records

Access essential, real-time clinical information for individual residents to assess precautions, treatments and outcomes. Use diagnostic and treatment data to develop timely interventions or alerts.

Intuitive dashboard

View all data, alerts, tasks, reports and analytics in real-time on an easy-to-navigate dashboard.

Available with subscription

ERP Payroll - Employer Paid Leave requirements

Eligible Employees: *All employees of covered employers are eligible for two weeks of paid sick time for specified reasons related to COVID-19. Employees employed for at least 30 days are eligible for up to an additional 10 weeks of paid family leave to care for a child under certain circumstances related to COVID-19.*

Under the FFCRA, an employee qualifies for paid sick time if the employee is unable to work (**or unable to telework**) due to a need for leave because the employee:

1. is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
2. has been advised by a health care provider to self-quarantine related to COVID-19;
3. Is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
4. is caring for an individual subject to an order described in (1) or self-quarantine as described in (2);
5. is caring for a child whose school or place of care is closed (or childcare provider is unavailable) for reasons related to COVID-19; or
6. is experiencing any other substantially similar condition specified by the Secretary of Health and Human Services, in consultation with the Secretaries of Labor and Treasury.

ERP Payroll - Employer Paid Leave requirements

Eligible Employees: *All employees* of covered employers are eligible for two weeks of paid sick time for specified reasons related to COVID-19. *Employees employed for at least 30 days* are eligible for up to an additional 10 weeks of paid family leave to care for a child under certain circumstances related to COVID-19.

Duration of Leave:

- **For reasons (1)-(4) and (6):** A full-time employee is eligible for 80 hours of leave, and a part-time employee is eligible for the number of hours of leave that the employee works on average over a two-week period.
- **For reason (5):** A full-time employee is eligible for up to 12 weeks of leave (two weeks of paid sick leave followed by up to 10 weeks of paid expanded family & medical leave) at 40 hours a week, and a part-time employee is eligible for leave for the number of hours that the employee is normally scheduled to work over that period.
- **Calculation of Pay:**
- **For leave reasons (1), (2), or (3):** employees taking leave are entitled to pay at either their regular rate or the applicable minimum wage, whichever is higher, up to \$511 per day and \$5,110 in the aggregate (over a 2-week period).
- **For leave reasons (4) or (6):** employees taking leave are entitled to pay at **2/3** their regular rate or **2/3** the applicable minimum wage, whichever is higher, up to \$200 per day and \$2,000 in the aggregate (over a 2-week period).
- **For leave reason (5):** employees taking leave are entitled to pay at **2/3** their regular rate or **2/3** the applicable minimum wage, whichever is higher, up to \$200 per day and \$12,000 in the aggregate (over a 12-week period).
