A message about COVID-19:

The [Centers for Disease Control and Prevention](#) (CDC) is providing ongoing updates surrounding the recent outbreak of the Coronavirus also known as COVID-19.

Cantata Health is also monitoring this information with regards to our solutions. We encourage you to stay up to date with the information provided by the CDC. They have provided guidelines regarding symptoms, prevention and treatment as well as guidelines for healthcare professionals.

Below are links that will provide you information regarding the actions you should be taking at your facility. Cantata Health is here to ensure you achieve quality outcomes for patients and your facility. Please let us know if we can assist with modifying or adding assessments to support your infection control process and procedures.

If our assistance is needed, please contact support at 1-877-532-6347.
